

Austrey NDP Steering Group

Meeting held online 18th August 2025 at 2pm

Present: Louise Kirkup, Sam Goldney-Neate, Elaine Horton

In response to comments received from local landowner Eaton Walker, LK to ask Sue Wilson @ NWBC to remap Local Green Spaces 8 and 9. The two areas to be combined as 9 (the playground) is too small to measure. The combined area will now include the grassed areas comprising the village green, the verge along the fence to the east, and the playground plus the lawned area surrounding it. It will exclude the church parking.

LK to include a sentence in the consultation document to reflect this change.

The NDP can then be submitted to North Warwickshire Borough Council for their 6-week consultation period. Once this begins, NWBC will send a notification to the parish clerk, and request that a notice to that effect be put on the PC website. NWBC will also request email addresses of all consultees and notify them of the start of the 6-week period.

After the 6-week NWBC consultation, the NDP document will be referred on to the Examiner.

There being no other business the meeting concluded at 2.45pm.
