4.0	Do the Material Modifications Change the Nature of the Plan?	7
	Appendix 1 Detailed Modifications	9

1.0 Introduction

- 1.1 The Austrey Neighbourhood Development Plan Review (ANDPR) updates the previous Austrey Neighbourhood Development Plan 2014 - 2029. The former NDP was examined, subjected to a local referendum and then made (adopted) by North Warwickshire Borough Council in June 2017.
- 1.2 In 2021 the Parish Council decided to review the NDP. The Review is being undertaken to update the policies and proposals in the previous NDP.
- 1.3 The Review of the NDP has been informed by the following:
- Changes to national planning policy set out in the National Planning Policy Framework (NPPF) 19th December 2024 and other Government guidance;
 - The North Warwickshire Local Plan, Adopted September 2021 and associated supporting documents and evidence base;
 - The findings of the Austrey Housing Needs Survey Report 2021;
 - Development of former site allocations and other housing growth in Austrey over the last 5 years;
 - Local residents' and stakeholders' responses to the launch event and questionnaire for the Review in May 2023. A report setting out the responses and how they have been used to inform changes to the NDP is provided on the NDP pages of the Parish Council website; and
 - Informal advice and discussions with North Warwickshire Borough Council.
 - Responses to the formal Regulation 14 consultation 10th February 2025 until Monday 24th March 2025.
- 1.4 This document is the Statement of Modifications for the Regulation 15 Submission Version of the Modified Plan. It sets out the extent of the modifications to the former NDP and summarises the changes to policies and proposals which have been incorporated into the NDP Review document.

2.0 National Planning Practice Guidance (PPG)

- 2.1 Planning Practice Guidance for neighbourhood planning sets out when it is considered necessary to review and update a neighbourhood plan¹. This provides the following advice:

'Updating a neighbourhood plan

In what ways can a neighbourhood plan or order be changed?

¹ <https://www.gov.uk/guidance/neighbourhood-planning--2#updating-neighbourhood-plan>

There are 3 types of modification which can be made to a neighbourhood plan or order. The process will depend on the degree of change which the modification involves:

- Minor (non-material) modifications to a neighbourhood plan or order are those which would not materially affect the policies in the plan or permission granted by the order. These may include correcting errors, such as a reference to a supporting document, and would not require examination or a referendum.*
- Material modifications which do not change the nature of the plan or order would require examination but not a referendum. This might, for example, entail the addition of a design code that builds on a pre-existing design policy, or the addition of a site or sites which, subject to the decision of the independent examiner, are not so significant or substantial as to change the nature of the plan.*
- Material modifications which do change the nature of the plan or order would require examination and a referendum. This might, for example, involve allocating significant new sites for development.'*

Paragraph: 106 Reference ID: 41-106-20190509
Revision date: 09 05 2019

2.2 The modifications to the Austrey Neighbourhood Plan are considered to be material as they go further than correcting errors.

2.3 PPG goes on to advise:

'How are more substantive neighbourhood plan updates made?

If a qualifying body wish to make updates (modifications) that do materially affect the policies in the plan, they should follow the process set out in [guidance](#), with the following additional requirements:

- the qualifying body must (at the pre-submission publicity and consultation stage and when the modified plan is submitted to the local planning authority) state whether they believe that the modifications are so significant or substantial as to change the nature of the plan and give reasons.*
- the local planning authority must (when sending the modified plan to the independent examiner) state whether they believe that the modifications are so significant or substantial as to change the nature of the plan and give reasons. The local planning authority must also submit a copy of the original plan to the independent examiner.*
- the qualifying body must decide whether to proceed with the examination after the examiner has decided whether the modifications proposed change the nature of the plan.'*

Paragraph: 085 Reference ID: 41-085-20180222
Revision date: 22 02 2018

- 2.3 The Statement sets out the extent of the modifications and gives reasons why the Parish Council considers the modifications are minor or material and if so whether they are so significant or substantial as to change the nature of the plan.

3.0 Material Modifications to the Made NDP

- 3.1 The Neighbourhood Plan Review comprises amendments to former made neighbourhood plan policies and the deletion of former site allocations for new housing.

- 3.2 Only 1 policy has been completely deleted from the made neighbourhood plan. This is:

'AP9: For the period to 2029, we expect the following 3 sites identified to deliver the housing needs for Austrey: Hollybank Farm (A); Crisps Farm / Glebe Field (B); Applegarth / The Croft (C), along with any windfall sites as outlined in AP10.

This will not only meet the minimum requirements of NWBC's Core Strategy, but also takes into account the anticipated request for further housing to support the shortfall in neighbouring Tamworth.

According to detailed sustainability and other assessments carried out by NWBC, these sites are deliverable and suitable for development.'

- 3.3 The reason for this deletion is that the identified 3 sites have all been developed for new housing.
- 3.4 Following discussions with North Warwickshire Borough Council, the Parish Council agreed that the review would not include new site allocations for housing development but would focus on updating the other neighbourhood plan policies and include commissioning design codes to promote high quality and sustainable development.
- 3.5 Former made NDP Policies which have been retained and modified are shown in Table 1: List of Modified NDP Policies:

Table 1: List of Modified NDP Policies

Former Made NDP Policy	Modified Policy in Review NDP	Brief Reason
POLICY AP1: Natural Environment	POLICY AP1: Natural Environment	The Policy has been updated to include protection of features which local residents and stakeholders value in Austrey such as ridge and furrow and the need to protect the area against further light pollution. These issues were identified in submitted responses to the informal consultation undertaken in May 2023. The Policy also refers to the relevant principles in Austrey Design Guidance and Codes.

POLICY AP2	POLICY AP2: Local Green Spaces	The playing fields at Newton Lane and the Old Cricket Ground were identified for continuing use for recreational activities in the former neighbourhood plan. Footpaths across Bishops Field and the field northeast of Hollybank and views were also noted as important. These areas continue to provide important resources for local residents and are now identified as Local Green Spaces as they meet the criteria in the NPPF. Other important local areas suggested by residents have also been assessed against the criteria in the NPPF and, where they meet these criteria are proposed as Local Green Spaces in the Plan.
POLICY AP3: Views	POLICY AP3: Views	The made NDP identified a number of important views which were protected in Policy AP3. These views have been re-assessed by the NDP Steering Group as part of the Plan Review and a revised map showing important local views has been prepared. The policy wording has also been updated and amended.
POLICY AP4	POLICY AP4: Farm Diversification	The Policy has been updated to reflect a greater emphasis on the need to reduce carbon emissions and support renewable energy schemes and to support rural diversification in response to additional challenges for farmers.
POLICY AP5	POLICY AP5: High Quality Design	Former NDP Policy AP5 required new dwellings to comply with Building for Life 12 (BfL12) and Lifetime Homes guidelines. Although BfL12 is promoted in the new Local Plan, these guidelines now have been superseded by Building for a Healthy Life (BHL) which was published in 2020. Building for a Healthy Life is a Design Code to help people improve the design of new and growing neighbourhoods and includes 12 considerations across 3 key themes of Integrated Neighbourhoods, Distinctive Places and Streets for All. Lifetime Homes standards were replaced by the optional building regulations standard M4(2) entitled 'accessible and adaptable dwellings'. Design codes were commissioned through the Locality Technical Support programme as part of the review process. New, revised NDP Policy AP5 requires new development to respond positively to the relevant principles of Austrey Design Guidance and Codes.
POLICY AP6	POLICY AP6: Sustainable Design	The former NDP Policy required developers to assess the viability of onsite sources of renewable energy and to ensure buildings are energy efficient. The new Policy wording

		provides guidance to ensure new development is designed and built to be as sustainable and resource and energy efficient as possible in response to the climate emergency. The Policy refers to updated principles for sustainable design set out in Austrey Design Guidance and Codes.
POLICY AP7	POLICY AP7: Promoting Safer Neighbourhoods	Former Policy AP7 required new development to comply with Secured by Design and Safer Places standards. Secured by Design principles and promoting safer spaces and active travel are embedded in the National Model Design Code and at a local level are included in Austrey Design Guidance and Codes.
POLICY AP8	POLICY AP8: Active Travel and Healthy Lifestyles	Former Policy AP8 required development to comply with highways standards and promoted a five-minute, walkable neighbourhood. Revised Policy AP8 has been prepared to help ensure development in Austrey supports healthy lifestyles and addresses the need to de-carbonise transport. It also refers to the relevant principles set out in Austrey Design Guidance and Codes.
POLICY AP10	POLICY AP9: Windfall Development	Austrey NDP Policy AP9 sets out local criteria for assessing windfall development proposals for new housing. These are largely carried forward from the former made NDP and include the former criteria for the selection of sites and former windfall Policy AP10. The wording has also been slightly updated.
POLICY AP11	POLICY AP10: Local Housing Need	NDP Policy AP10 updates the previous NDP Policy AP11 and refers to the results of the latest / most up to date housing needs survey for the Parish (2021).

4.0 Do the Material Modifications Change the Nature of the Plan?

- 4.1 The changes to the NDP Policies and supporting text are considered to comprise material modifications that do not change the nature of the Plan. This is because although several former site allocations for new housing have been deleted, the sites already had planning consent by the time the NDP was made and have since been developed. Other modifications comprise updates to the former policies and several references to Austrey Design Guidance and Codes which was commissioned as part of the review process.
- 4.2 The Parish Council considers that an examination will be required but not a referendum. However, it is recognised that the local planning authority (North Warwickshire Borough Council) and the examiner will draw their own

conclusions and make recommendations accordingly as the NDP Review moves forward through the process.

- 4.3 Table 2 in Appendix 1 sets out all the detailed modifications to the Made Austrey NDP.

Appendix 1 Detailed Modifications

5.	BASIC CONDITIONS	<u>1.0 BASIC CONDITIONS AND LEGAL REQUIREMENTS</u> <u>The Localism Act 2011 empowers local communities to take responsibility for the preparation of planning policies for their area through a neighbourhood development plan (NDP). Paragraph 30 of the National Planning Policy Framework (NPPF) states 'neighbourhood planning gives communities the power to develop a shared vision for their area'.</u> <u>This document is a the Modified Neighbourhood Development Plan for Austrey and has been prepared in line with the Neighbourhood Planning (General) Regulations 2012 (as amended).</u> <u>Austrey Modified Neighbourhood Plan (AMNP) has been prepared through a formal Review process and comprises material modifications to the former made Austrey Neighbourhood Plan. Therefore it will be subjected to independent examination.</u> <u>The examiner will consider whether the Modified Plan meets certain 'basic conditions'. These are:</u>	This section has been updated to refer to the modified plan and to provide a correct, updated overview of the basic conditions and legal requirements. Minor editorial change.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Having regard to national policies and advice contained in guidance issued by the Secretary of State, it is appropriate to make the plan;</u> <u>The making of the neighbourhood plan contributes to the achievement of sustainable development;</u> <u>The making of the neighbourhood plan is in general conformity with the strategic policies contained in the development plan for the area of the authority (or any part of that area);</u> <u>The making of the neighbourhood plan does not breach, and is otherwise compatible with, EU obligations; and</u> <u>The making of the neighbourhood development plan does not breach the requirements of Chapter 8 of Part 6 of the Conservation of Habitats and Species Regulations 2017.</u> <u>Neighbourhood plans also have to be compatible with the Convention Rights, which has the same meaning as in the Human Rights Act 1998.</u> <u>In addition, the Modified Plan is required to meet various legal requirements:</u> The Policies included in this Plan comply fully with all relevant European, national and regional policies and procedures The official qualifying body for the submission of this <u>Neighbourhood</u> Plan is Austrey Parish Council; This <u>The Modified</u> Plan <u>states</u> the <u>plan</u> period 2014-2029 <u>of 2025 – 2033;</u> The Policies detailed in this the Modified Plan relate only to housing development and make no reference to “excluded development” <u>do not include provision about excluded development (principally minerals, waste disposal,</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>development automatically requiring Environmental Impact Assessment, and nationally significant infrastructure projects).</u> This <u>The Modified</u> Plan relates only to the neighbourhood area defined by the boundaries of the Parish of Austrey <u>and designated on 25th September 2013 (shown on Map 1)</u> This is the only Neighbourhood Development Plan in place today relating to the Parish of Austrey <u>The Modified Neighbourhood Plan does not relate to more than one neighbourhood area, and no other neighbourhood development plan, other than the made Neighbourhood Plan, has been made for the neighbourhood area.</u>	
6.	<u>2. AUSTREY NDP REVIEW</u>	<u>2.0 AUSTREY NDP REVIEW</u> <u>Welcome to the Austrey Neighbourhood Plan Review. The Modified Plan updates the previous Austrey Neighbourhood Development Plan 2014 - 2029 which was prepared by a steering group on behalf of the Parish Council, examined and subjected to a local referendum. The Plan was made (adopted) by North Warwickshire Borough Council in June 2017.</u> <u>In October 2020 Austrey Parish Council decided to review the NDP. In early 2022 members of the Parish Council worked with planning consultants Kirkwells to consider the made Plan's policies and proposals and to identify where updates may be required. A document 'Austrey Made NDP Policy Screening March 2022' was prepared and is published on the NDP Review folder of the Parish Council's website (https://www.austrey.co.uk/copy-of-neighbourhood-plan).</u>	To provide background to the review process. Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>The Review updates the policies and proposals in the previous NDP, taking into account:</u> <u>Changes to national planning policy set out in the National Planning Policy Framework (NPPF) updated 12th December 2024² and other Government guidance;</u> <u>The new North Warwickshire Local Plan, Adopted September 2021³ and associated supporting documents and evidence base;</u> <u>The findings of the Austrey Housing Needs Survey Report 2021⁴; and</u> <u>Development of former site allocations and other housing growth in Austrey over the last few years.</u> <u>Local residents' and stakeholders' responses to the launch event and questionnaire for the Review in May 2023. A report setting out the responses and how they have been used to inform changes to the NDP is provided on the NDP pages of the Parish Council website⁵.</u> <u>Austrey Design Guidance and Codes 2024⁶</u> <u>Responses to the Regulation 14 public consultation in early 2025</u>

		<u>WHAT IS AN NDP REVIEW?</u> <u>Planning Practice Guidance (PPG) for neighbourhood planning sets out when it is considered necessary to review and update a neighbourhood plan⁷:</u> <u>'There is no requirement to review or update a neighbourhood plan. However, where a policy has been in force for a period of time, other material considerations may be given greater weight in planning decisions as the evidence base for the plan policy becomes less robust. To reduce the likelihood of a neighbourhood plan becoming out of date once a new local plan (or spatial development strategy) is adopted, communities preparing a neighbourhood plan should take account of latest and up-to-date evidence of housing need, as set out in guidance'. PPG goes on to advise that, 'communities in areas where policies in a neighbourhood plan that is in force have become out of date may decide to update their plan, or part of it.'</u> <u>PPG also sets out advice about the process for updating an NDP:</u> <u>'There are 3 types of modification which can be made to a neighbourhood plan or order. The process will depend on the degree of change which the modification involves:</u> <u>• Minor (non-material) modifications to a neighbourhood plan or order are those which would not materially affect the policies in the plan or permission</u>	

⁷ <https://www.gov.uk/guidance/neighbourhood-planning--2#updating-neighbourhood-plan>
 Paragraph: 084 Reference ID: 41-084-20190509 Revision date: 09 05 2019 and Paragraph: 106 Reference ID: 41-106-20190509 Revision date: 09 05 2019

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>granted by the order. These may include correcting errors, such as a reference to a supporting document, and would not require examination or a referendum.</u> • <u>Material modifications which do not change the nature of the plan or order would require examination but not a referendum. This might, for example, entail the addition of a design code that builds on a pre-existing design policy, or the addition of a site or sites which, subject to the decision of the independent examiner, are not so significant or substantial as to change the nature of the plan.</u> • <u>Material modifications which do change the nature of the plan or order would require examination and a referendum. This might, for example, involve allocating significant new sites for development.'</u> <u>The process for preparing an NDP Review comprising material modifications is set out in The Neighbourhood Planning (General) Regulations 2012 (as amended). This is very similar to the process for preparing an NDP but depending upon the degree of change, a referendum may or may not be required.</u> <u>This NDP Review is considered to comprise material modifications which do not change the nature of the plan. The Statement of Modifications sets out the changes to the Made NDP and is published on the NDP website, alongside a 'track changes' version of the previous NDP, with the modifications.</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
7.	INTRODUCTION	<u>3.0</u> INTRODUCTION This is a Neighbourhood Plan as defined by the 2011 Localism Act. It provides planning guidelines <u>policies</u> for the Parish of Austrey, as detailed in the map below <u>shown on Map 1.</u> <u>The first Austrey Neighbourhood Plan was prepared through an extensive process of public consultation and engagement led by the Parish Council and was made (adopted) by North Warwickshire Borough Council (NWBC) in June 2017. Since then, the village has seen significant development, including several new housing schemes, including those which were identified as site allocations in the Neighbourhood Plan. In addition, there have been changes to planning policy at a national level (set out in the NPPF and other Government guidance) and North Warwickshire District Council has adopted a new Local Plan (2021 – 2033). For these reasons the Parish Council felt it was timely and appropriate to undertake a formal review of the Plan to ensure it remains up to date and relevant.</u> The <u>Modified</u> Plan has been produced by Austrey Parish Council as the official qualifying body, together with <u>with support from</u> a Steering Group comprising representatives from different parts of the local community.	To update the section and refer to the review process. Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		It draws on the views and aspirations of those living in Austrey and has been supported by the Forward Planning Department of North Warwickshire Borough Council. This <u>Modified</u> Plan covers development needs for the <u>plan</u> period 2014-2029 2025 – 2033 (the same as the new North Warwickshire Local Plan) but <u>it</u> will be <u>monitored and subjected to further review</u> re-visited from time to time to ensure continuing alignment with the changing requirements of the village and of North Warwickshire as a whole. The Plan covers key aspects of neighbourhood planning, section by section. Each of these sections starts with a background explanation and goes on to highlight the objectives, and detail the Policies (AP1—AP13 <u>AP10</u>) designed to meet those objectives. Each section also references the relevant legal framework, demonstrating compliance, and the ways in which the policies contribute to the sustainable development of our village ( leaf motif).	
8.	Map 1 Austrey Designated Neighbourhood	Map updated with improved image provided by NWBC.	To replace previous poor quality and unclear map. Minor change.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
	Area and Parish Boundary		
9.	PARISH PROFILE	<u>4.0 PARISH PROFILE</u> Austrey is a small, rural village in North Warwickshire, situated close to the borders with Leicestershire, Staffordshire and Derbyshire. It is surrounded by attractive, rolling countryside and open, green fields, and yet is conveniently located close to the country's key motorway network (M42, M1, M6). The current plans for HS2 show the line <u>The HS2 Phase 2B safeguarding maps include an area</u> cutting across the corner of the playing fields to the west of the village. <u>The eastern Leg of Phase 2B is currently on hold but the safeguarded routes will remain in place until there is clarity from the Government on route alterations. Stakeholders will be updated on the proposals for Phase 2b East once HS2 has been instructed by Government.</u>	To updated information about the parish in 2025. Minor modifications.
10.		Today, <u>The 2021 Census showed that</u> the Parish comprises approximately 400 <u>527</u> dwellings in a variety of design styles, and has around 1,000 <u>1,100</u> residents <u>in 470 households. This demonstrates a 10% increase in residents since 2011 and reflects the significant amount of new residential development that has taken place within and around the village.</u> Austrey has a rich history stretching back to medieval times. There are ancient earth-works in Bishops Field, and ridge and furrow formation has survived in several fields in and around the village. A century ago, it was home to artisans, farmers and local tradesmen. 25 years ago, a large proportion of residents	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		were commuting to nearby conurbations such as Birmingham, Coventry, Nottingham and Leicester. Today, an increasing proportion of residents work from home, at least part of the time. The village has limited <u>several community</u> facilities, including a primary school, two churches, a general store/Post Office, one public house and a village hall. There are currently no medical services in Austrey. As a result of the limited facilities, <u>There are few job opportunities with employers based in the Parish.</u> Those living in Austrey are highly dependent on private transport. There is a limited bus service to Tamworth, but no direct service to Atherstone or Ashby-de-la-Zouch, the nearby market towns. Austrey has an ageing community with more elderly residents wishing to remain in the village through retirement, and the relatively high house prices present a challenge for some young families with children wishing to live in Austrey. There is a strong sense of community, with a number of local societies and associations thriving as a result. These include the recently formed Austrey Residents' Association. In addition, there is a popular festival and bonfire each year, and there have been some well attended street parties <u>including for the King's Coronation in May 2023.</u> The Open Gardens event attracted over 300 visitors in 2014. It is largely because of this vitality that Austrey was named Warwickshire's Calor "Village of the Year" in 2008.	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<i>'Rural North Warwickshire: a community of communities. A place where people want to live, work and visit, now and in the future, which meets the diverse needs of existing and future residents, is sensitive to the local environment, and contributes to a high quality of life. NWBC Core Strategy, 2014 <u>A place which is safe and inclusive, well planned, built and run and offers equality of opportunity and good services for all.</u></i> <u>Spatial Vision, North Warwickshire Local Plan, Adopted September 2021.</u> <u>This Vision for rural North Warwickshire set out in the Local Plan is considered to be appropriate for the AMNP.</u>	
11.	LEGAL FRAMEWORK	LEGAL <u>PLANNING POLICY</u> FRAMEWORK There are two policy documents that provide the main legal <u>planning policy</u> framework for the Austrey <u>Review</u> Neighbourhood Plan: 1. <u>The National Planning Policy Framework (December 2024)</u> This document (the 'Framework' or NPPF) establishes the government's national planning policies. It came into force in March 2012 to guide regional and local planning authorities when making planning decisions. The NPPF requires that Neighbourhood Plans meet the development needs of the local planning authority (NWBC) as a minimum. Communities may decide to go beyond this minimum requirement if additional development is considered beneficial to local residents. It sets out that neighbourhood plans should support the delivery of strategic policies contained in local plans	To update the text with refence to the latest version of the NPPF and the new adopted Local Plan. Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		(paragraph 13) and should not promote less development than set out in the strategic policies for the area, or undermine those strategic policies (paragraph 29). The NPPF is clear in establishing a number of basic principles relating to development: It should support the strategic development needs set out in the Borough's Local Plan It should be designed to improve the places where people live, incorporating high quality design and a good standard of amenity It should protect the diversity of different areas It should support the move to a low carbon future and drive the three aspects of sustainability: economic, social, environmental It should conserve and enhance the natural environment, encouraging the re-use of land where possible It should promote "mixed use" developments It should protect and conserve heritage assets It should encourage full use of public transport, walking and cycling It should improve health, social and cultural well-being <u>The NPPF is clear that non-strategic policies should be used to set out more detailed policies for specific areas, neighbourhoods or types of development. This can include allocating sites, the provision of infrastructure and community facilities at a local level, establishing design principles, conserving and enhancing the natural and historic environment and setting out other development management policies (paragraph 29). Neighbourhood planning</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>gives communities the power to develop a shared vision for their area. Neighbourhood plans can shape, direct and help to deliver sustainable development, by influencing local planning decisions as part of the statutory development plan (paragraph 30).</u> 2. NWBC's Core Strategy North Warwickshire Borough Council adopted the Core Strategy in October 2014. This forms a key part of the Local Plan, and it is this document which is used to determine the extent and location of housing development across the Borough. The 2014 Core Strategy requires that Austrey provides a minimum of 40 additional dwellings in the Parish in the period to 2029. <u>North Warwickshire Local Plan 2021, Adopted September 2021</u> <u>The Local Plan contains planning policies for the Borough to guide the development and use of land, which affect the nature of places and how they function at a strategic level as well as providing detailed policies for individual sites and applications. The Local Plan looks forward to 2033 and continues the theme of sustainable development in the right place with the right infrastructure. Austrey is identified in the settlement hierarchy as a Category 4 settlement: Other Settlements with a development boundary. There is no minimum housing target for Austrey and site allocation H13 has been developed.</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
12.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE BACKGROUND Austrey has little green space within the village itself, and the two existing <u>main</u> play areas for children are not centrally located: there is a small area on Hollybank to the northeast, and the main playing field lies half a mile to the northwest of the village. It should be noted that the proposed route of the HS2 railway line cuts across the corner of this playing field. Nevertheless, Austrey is surrounded by open fields, and has been for hundreds of years. These small fields and associated hedgerows are not only important in supporting a rich variety of wildlife species but they give Austrey much of its unique character and provide residents with relief from the built environment. A number of these small fields forming a “green ring” around Austrey have historically been used for villagers’ recreational activities. These are the former cricket ground, east of Farthings (the old Post Office), and the playing fields on Newton Lane. Other sites in agricultural use have footpaths and permitted rights of way that have been enjoyed for many years and are still frequently used today. These are Bishops Field, southwest of the church, and the field to the northeast of Hollybank. There are now few young farmers interested in continuing cottage farming activities around the village, and a real concern that the landscape may change as a consequence of this. The wider Parish is made up of other small fields dating back to the Middle Ages, and a growing number of large ‘prairie-style’	To provide factual updates. This leg of HS2 has now been cancelled by the Government and so references have been removed in the NDP. Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		farms where ancient hedges have been removed over time in the interests of more efficient farming. This has contributed to the flooding issues faced by certain parts of the village, following heavy rain. There are several spectacular <u>attractive</u> views of Austrey <u>village</u> and the surrounding landscape which also help to give the village a unique sense of place. Austrey has a number of clubs and societies that enable residents to take advantage of the rural environment to enjoy an active and healthy social life. These include the allotment society, gardening society, archery club, art group, cricket and football clubs, golf society, scouts club, tennis club, Women's Institute and the walking group <u>and The Austrey Belles</u>. In the interests of maintaining this vitality, Austrey Parish Council has submitted to NWBC a number of "assets of community interest" which are considered to be important for the sustainability of the local community. These include the Bird In Hand public house and the village shop/Post Office.	
13.	OBJECTIVES	<u>ENVIRONMENT, LANDSCAPE AND WILDLIFE</u> OBJECTIVES <u>4.1 Objective 1: To Protect the 'Green Ring'</u> It is one of the basic aims of this Plan to protect the fields surrounding Austrey, as it is this "green ring" which gives the village so much of its character and breath-taking views, and which gives the local community the opportunity to practise the outdoor activities that they enjoy today. <u>Map 2 (Map 3 from the former, made NDP) identifies the areas that make up this 'Green Ring'.</u>	To update the former objectives and provide titles. Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		1.2 Given the lack of green space available for public use in Austrey, this Plan also supports the development of a village green and children's play area in the centre of the village, close to other amenities. <u>Map 2 Green Ring (new map)</u> 4.3 <u>Objective 2: To Enhance Local Wildlife</u> It is important for the survival of wildlife in the village that any future development should have minimal impact on its natural habitat. Again this means protecting the small fields and ancient hedgerows that still exist around the periphery of Austrey. 4.4 <u>Objective 3: To Minimise Flood Risk</u> Likewise, it is important that the quality of life for existing and future residents is not adversely affected by an increased risk of flooding as a result of excessive or ill-conceived development. 1.5 This Plan aims to preserve the "community assets", as highlighted on page 8. These assets contribute to the quality of life for members of the local community and need support or protection if they are to remain viable.

		<u>Wide open views across the character area from the elevated fringes, from lower land views across open fields to near escarpments.</u> <u>Austrey Meadows to the south of Austrey is noted for small, regular, often linear fields alongside the watercourses which are used for grazing and enclosed by low hedgerows. The wood at the bottom of Wulfric Avenue off Cinder Lane is also of recognised local importance.</u> <u>Landscape / management strategies relevant to Austrey neighbourhood area include the following:</u> <u>Any new development should reinforce the existing settlement pattern of the rural villages;</u> <u>Conserve the historic field pattern, with priority given to restoring and strengthening primary hedge lines including those alongside roads;</u> <u>Enhance tree cover through small scale planting of broadleaved coverts and woods in keeping with geometric pattern of hedged fields and visually open character;</u> <u>Encourage natural regeneration of trees and vegetation alongside watercourses and promote small areas of wetland planting in areas currently lacking in habitats;and</u> <u>Encourage ecological management of grassland areas and wetlands.</u> POLICIES <u>NPPF paragraph 187 sets out that planning policies should contribute to and enhance the natural and local environment by, amongst other things,</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>protecting and enhancing valued landscapes and recognising the intrinsic character and beauty of the countryside.</u> <u>North Warwickshire Local Plan Policy LP14 Landscape refers to the Landscape Character Assessment and sets out that development should look to conserve, enhance and where appropriate, restore landscape character as well as promote a resilient, functional landscape able to adapt to climate change. Specific landscape, geo-diversity, wildlife and historic features which contribute to local character will be protected and enhanced as appropriate. Policy LP16 Natural Environment aims to protect and enhance the quality, character, diversity and local distinctiveness of the natural environment and seeks to minimise impacts on, and provide net gains for biodiversity. Policy LP17 sets out that development proposals must, where appropriate, demonstrate how they contribute to maintaining and enhancing a comprehensive and strategically planned Green Infrastructure network.</u> <u>Austrey NDP Policy AP1 has been prepared to help ensure development proposals protect and enhance important local features so that Austrey's distinctive landscape character continues to be enjoyed by local people and visitors, and wildlife thrives. The Policy has been updated to include protection of features which local residents and stakeholders value in Austrey such as ridge and furrow and the need to protect the area against further light pollution. These issues were identified in submitted responses to the informal consultation undertaken in May 2023.</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
15.	POLICY AP1	POLICY AP1: <u>NATURAL ENVIRONMENT</u> Existing hedgerows, ditches, <u>water bodies, broadleaved woodlands, and mature, ancient and veteran⁹ trees in the Parish and ridge and furrow are all important and distinctive features of local landscape character and form part of Austrey's green infrastructure network. These features should be retained and enhanced where possible as part of landscaping schemes.</u> Where development that requires <u>proposes</u> the removal of hedgerows or mature trees without the appropriate replacement will be strongly resisted. Where such removal is unavoidable, statutory permissions will need to be obtained from the Local Authority <u>any of these features, schemes will be expected to include suitable replacement and enhancement.</u> Any new landscaping schemes should incorporate appropriate native species, and new hedgerows should be planted to form wildlife-friendly boundaries, in keeping with the surrounding landscape <u>and linking to local wildlife corridors such as mature hedgerows, Public Rights of Way and water courses.</u> <u>Locally appropriate measures to support biodiversity net gain include:</u> <u>Tree and hedgerow planting using traditional native species;</u>	To update the policy and provide more local detail following comments submitted in informal public consultation. Material modification that does not change the nature of the Plan.

⁹ See 'Ancient tree guide 4: What are ancient, veteran and other trees of special interest?' Woodland Trust, November 2008 <https://www.woodlandtrust.org.uk/media/1836/what-are-ancient-trees.pdf>
 An ancient tree is one that has passed beyond maturity and is old, or aged, in comparison with other trees of the same species. Veteran is a term describing a tree with habitat features such as wounds or decay

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Wetland restoration and planting;</u> <u>Improved management of grassland and wetland; and</u> <u>Planting wildflower meadows on verges and green spaces.</u> <u>In addition, lighting schemes should be designed to minimise light pollution. Security lighting should be operated by intruder switching, be appropriate to the setting, be unobtrusive and energy efficient and have consideration for neighbouring amenity. Business and agricultural development in the countryside should have lighting plans to avoid unnecessary light pollution.</u> <u>Development proposals should also incorporate the relevant design guidance and codes for landscaping and sustainable drainage set out in Austrey Design Guidance and Codes (Appendix 2 of Austrey Modified Neighbourhood Plan) which is published on the Parish Council website. These are:</u> • <u>Design Code 10: Landscape setting and rural identity</u> • <u>Design Code 11: Biodiversity</u> • <u>Design Code 12: Tree planting and</u> • <u>Design Code 17: Sustainable drainage systems (SuDS).</u>	
16.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE Supporting text	<u>PROTECTING IMPORTANT OPEN SPACES AND VIEWS</u> <u>The playing fields at Newton Lane and the old cricket ground were identified for continuing use for recreational activities in the former made Neighbourhood Plan. These areas continue to provide important resources for local residents.</u>	To update the former made NDP by including the 'Green Ring' as Local Green Spaces and adding further local green spaces suggested by local

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>The NPPF recognises the value of open spaces. Paragraph 103 advises that access to a network of high quality open spaces and opportunities for sport and physical activity is important for the health and well-being of communities and paragraph 104 sets out that existing open space, sports and recreational buildings and land, including playing fields, should not be built on unless certain criteria apply.</u> <u>Local Plan Policy LP22 Open Spaces and Recreational Provision sets out that open spaces and recreational areas will be retained, protected and enhanced (unless their loss is off-set by an equivalent or improved replacement).</u> <u>North Warwickshire Borough Council's Playing Pitch Strategy (December 2023)¹⁰ notes the need to improve Austrey Playing Fields. Part 5: Action Plan (p85 Newton Regis & Warton Analysis Area) identifies that Site 8 Austrey Playing Fields has one poor quality adult football pitch that is played to capacity and there is a need to improve pitch quality. North Warwickshire Green Space Strategy 2019 to 2033 Section 2 – Key Priorities p18 includes the Area Priority (AP) To Support Austrey Parish Council with obtaining funding from HS2 to finance the relocation of its recreation ground.</u> <u>Since the previous NDP was made, a new village green and play area on Wulfric Avenue has been provided to improve local open space provision and play facilities in the village.</u>	people where they meet the criteria in the NPPF. To update references to Local Plan evidence base documents (Playing Pitch Strategy and Green Space Strategy). Material modification that does not change the nature of the Plan.

		<u>NPPF (paragraph 107) sets out the criteria that all Local Green Spaces must meet in order to be designated:</u> <u>'The Local Green Space designation should only be used where the green space is:</u> <u>a) in reasonably close proximity to the community it serves;</u> <u>b) demonstrably special to a local community and holds a particular local significance, for example because of its beauty, historic significance, recreational value (including as a playing field), tranquillity or richness of its wildlife; and</u> <u>c) local in character and is not an extensive tract of land.'</u> <u>Table 1 in Appendix 3 sets out how these areas meet these criteria</u>	
17.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE Policy AP2	POLICY AP2: The playing fields on Newton Lane and the old cricket ground (see map on page 9) should continue to be used for recreational activities. The footpaths across Bishops Field and the field to the north east of Hollybank should continue to give access to the countryside and provide open views as long as there are other sites available which are considered more suitable for housing development.	Policy deleted and replaced with new Local Green Spaces Policy to give areas additional protection in the NDP. Material modification which does not change the nature of the Plan.
18.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE	These areas are considered important in retaining the rural landscape that is so valued by the local community. This Plan registers the fact that the community has a real interest in this land continuing to be used by the public	To update the text to refer to the new policy wording for Local Green Spaces.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
	Para 26.	as it is today, and would prefer it not to be considered for development if there are other more suitable sites available. The four areas forming this "green ring" are listed on page 8 <u>Policy AP2 Local Green Spaces replaces former Policy AP2 in the NDP.</u>	Minor modification.
19.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE Policy AP2	<u>POLICY AP2: LOCAL GREEN SPACES</u> <u>The following areas as identified on Austrey Modified Neighbourhood Plan Maps 3A, 3B, 3C and 3D are identified as local green spaces:</u> 1. <u>Newton Lane Playing Fields</u> 2. <u>Old Cricket Ground</u> 3. <u>Bishops Field</u> 4. <u>Field to the northeast of Hollybank</u> 5. <u>Austrey Community Orchard</u> 6. <u>Woodlands off Cinder Lane (Fairy Woods)</u> 7. <u>Land at Bishops Cleeve cul-de-sac</u> 8. <u>Village Green and Play Area, Wulfic Avenue.</u> <u>Development proposals within the local green spaces will be consistent with national policy for Green Belts.</u> <u>New maps inserted</u>	Former policy deleted and replaced with new Local Green Spaces Policy to give areas additional protection in the NDP. The community orchard was a positive action which came directly out of the consultations for the NDP. The SG were keen to include it in the Plan to publicise this. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Austrey Community Orchard</u> <u>Out of the initial consultation for our Neighbourhood Plan Review back in 2023, came a suggestion from several villagers that a Community Orchard would be a lovely asset to the village. We had the perfect spot, an area of green space between two closes that was fairly unloved and a willing team of volunteers came together.</u> <u>We received initial funding through the King's Coronation Fund and a member of WCC assisted us initially with arranging the planting of the fruit trees in 2024 (2 Pears, 2 Cooking apples, 6 Dessert Apples). We were really pleased that all but one made it through the winter and their first year of growth and a new tree will be planted this year to replace the one that we lost. We have received further funding with very generous donations being given to us from our District Councillors' funds to help us buy plants and equipment.</u> <u>The Community Orchard has been really embraced by the village with working parties – both young and old – working hard to turn this area of scrubland around. We have wildflower beds, areas left long for the bees and other wildlife, bug hotels, hedgehog houses and a carefully and lovingly created Remembrance bed. We have had benches donated which have been lovingly rubbed down and repainted by one of ace volunteers and it's so lovely to see someone sitting peacefully there admiring the Orchard.</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>A Wildlife Art Competition was held for our young residents and the winners formally opened the Orchard on 7 September 2024. The opening day was really well attended by villagers, our local MP and even the sun made an appearance where there were drinks, cakes and sounds of laughter throughout the afternoon. Further events are planned; including several 'Big Digs' being along with a Fete with fun games and events for all ages.</u> <u>We wanted to include the Community Orchard in the Review pack as it is really important to demonstrate the difference that residents can have in their village by sharing their views. It is our village residents who have given us their unwavering support throughout this process; time and again they have taken the time to complete questionnaires and attend consultation events, and we have been incredibly well supported throughout the process and the Orchard is a lovely way for the process to give back to the community. If you're passing, please do pop in, it can be found off the footpath that links Orchard Close with Newborough Close, CV9 3EN; What3words locator: seats.tangling.corded.</u> <u>Pictures of Community orchard inserted</u>	
20.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE	<u>The made NDP identified a number of important views which were protected in Policy AP3. These views have been re-assessed by the NDP Steering Group as part of the Plan Review.</u> <u>The Austrey Design Guidance and Codes document describes these as notable views in Part 2.4.4 Landscape Views. These were:</u>	To update the former identified important views and insert updated list of designated heritage assets.

	LANDSCAPE AND WILDLIFE POLICY AP3 Supporting text	around the villages of Austrey, Warton and Orton on the Hill for future generations. InSpires wishes to protect the countryside from unwarranted development by protecting various vistas into and out of the village, as indicated on the map on page 11. This Plan supports their objectives by ensuring that no development has any detrimental impact on these important views.	Minor modification.
23.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE	<u>FARM DIVERSIFICATION AND RENEWABLE ENERGY</u> <u>Since the previous NDP was prepared the need to reduce greenhouse gas (GHG) emissions such as carbon dioxide and methane as part of measures to address climate change has become more urgent. Austrey is not immune from the increased frequency of adverse weather events and residents and businesses have experienced storms and high rainfall (resulting in flooding and wind damage) and periods of extreme heat and drought in recent years.</u> <u>Austrey has a responsibility to support a transition to a low or zero carbon economy and the NDP Review provides an opportunity to ensure updated policies and proposals respond to the NPPF's statement that 'The purpose of the planning system is to contribute to the achievement of sustainable development' (paragraph 7). This includes under the environmental objective, mitigating and adapting to climate change, including moving to a low carbon economy.</u> <u>In response to the climate emergency the UK Government has a legally binding commitment to a 78% Green House Gas reduction by 2035 and</u>	To add additional supporting text to support amended policy on farm diversification and renewable energy. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>achieving Net zero by 2050. Net zero carbon is a reduction in the demand for energy and materials to a level that can be met solely by sources that do not emit greenhouse gases. In addition to making buildings and transport more efficient in terms of energy and resource consumption, there is a need to increase our energy supplies from more sustainable, resilient and affordable sources.</u> <u>UK farming is facing significant challenges as a result of increased energy costs and changes in agricultural policy and financial support. There is an increased emphasis on the need for more affordable and sustainable food production with a move towards lower meat and dairy consumption and a more plant base diet, and the need to conserve and enhance landscape and wildlife.</u> <u>Renewable energy production can offer opportunities for rural diversification. However schemes have to be sited and designed carefully to ensure adverse impacts on landscape character are avoided or mitigated. Also the best and most versatile agricultural land should be protected for future food production.</u> <u>Local Plan Policy LP13 Rural Employment sets out criteria for assessing proposals for farm diversification through the introduction of new uses onto established farm holdings and re-use and adaptation of existing rural buildings. Policy LP35 Renewable Energy and Energy Efficiency sets out that renewable energy projects will be supported where they respect the capacity and sensitivity of the landscape and communities to accommodate them.</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>The responses to the informal consultation in May 2023 included various suggestions for locally appropriate farm diversification such as farm shops and tea rooms, vineyards, forestation and cut flowers.</u> Although renewable energy projects such as wind farms will be supported where they respect the capacity and sensitivity of the landscape and the community, such development will not be supported should it <u>not</u> have a detrimental impact on the views of Austrey, <u>nor</u> upon the setting of important or historic buildings, such as the Grade II* listed St. Nicholas Church <u>and other heritage assets.</u>	
24.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE POLICY AP4	POLICY AP4: FARM DIVERSIFICATION Local farmers will be supported in their attempts to diversify, providing that such diversification: respects the <u>tranquillity</u>, character and beauty of the countryside, and has no detrimental impact on others in the village <u>does not have an unacceptable adverse impact on local residential amenity, and</u> <u>does not lead to unacceptable increases in traffic on rural roads.</u> <u>Renewable energy schemes will be supported, particularly where they are community led schemes which provide sustainable and affordable energy resources for local residents and businesses. All such proposals should avoid or mitigate any significant adverse impacts on local landscape character and</u>	To update the Policy taking into account the climate emergency, the need to reduce carbon emissions and to respond to comments from residents in the informal public consultation. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>biodiversity through careful and sensitive siting, design and landscaping and avoid using the best and most versatile agricultural land.</u> <u>Proposals for the conversion of agricultural buildings will be expected to incorporate the principles set out in Design Code 8: Conversion of agricultural buildings in Austrey Design Guidance and Codes (Appendix 2 of Austrey Modified Neighbourhood Plan) which is published on the Parish Council website.</u>	
25.	SECTION 1: ENVIRONMENT, LANDSCAPE AND WILDLIFE	<u>THESE POLICIES CONTRIBUTE TO</u> SUSTAINABILITY  <u>BY:</u> Conserving local wildlife habitat Protection of the historic environment Securing the future of local assets Enhancing the quality of life for present and future residents Supporting diversification for sustainable farming Securing the key vistas of the Parish NATIONAL AND EUROPEAN AGRICULTURAL POLICY The planning system at local level has limited control over the local landscape of Austrey. As the majority of land in Austrey Parish is farming land, overall control is at a national/European level with regard to farming policies and subsidies. HEDGEROW REGULATIONS 1997	To update the supporting text. Listed buildings have been moved to earlier in the section – see above ref 20. Relevant sections from the NPPF and Local Plan policies are referred to in the revised supporting text. Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		The hedgerows around the village are valued by residents. Any removal without replacement may need permission from the Local Authority. It is expected that, where necessary, this will be done in consultation with Austrey Parish Council NATIONAL PLANNING POLICY FRAMEWORK REFERENCES • § 28: Supporting a prosperous rural economy • § 69: Promoting healthy communities • § 109: Conserving and enhancing the natural environment NORTH WARWICKSHIRE BOROUGH COUNCIL REFERENCES ☐ NW12: Quality of development ☐ NW13: Natural environment ☐ ENV4: Trees and hedgerows Grade II Listed Buildings in Austrey ☐ Austrey Baptist Church, Main Road ☐ Bird in Hand, Church Lane ☐ Bishops Farm, Warton Lane ☐ Church of St. Nicholas* ☐ Farthings, Main Road ☐ Flavel House, Warton Lane ☐ Telephone Kiosk, Main Road ☐ Manor House, Warton Lane ☐ Nether End, Warton Lane

26.	SECTION 2: HOUSING DESIGN	SECTION 2: HOUSING DESIGN BACKGROUND Good quality housing design covers a wide range of requirements for modern living. These may include anything from the amount of space provided inside and outside the property, to parking facilities, safe access and even the quality of the broadband connection. The Government attaches great importance to the design of the built environment. Good design is a key aspect of sustainable development, is indivisible from good planning, and should contribute positively to making places better for people. National Planning Policy Framework, 2012 Paragraph 56 <u>NPPF paragraph 131 advises 'Good design is a key aspect of sustainable development, creates better places in which to live and work and helps make development acceptable to communities.'</u>	To update the supporting text and refer to design codes. Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>The Government has published a National Design Guide¹²ⁱ and National Model Design Code¹³ and neighbourhood planning groups are encouraged to prepare local design codes to support planning policies on design. NPPF Paragraph 127 goes on to say 'Design policies should be developed with local communities so they reflect local aspirations, and are grounded in an understanding and evaluation of each area's defining characteristics. Neighbourhood planning groups can play an important role in identifying the special qualities of each area and explaining how this should be reflected in development, both through their own plans and by engaging in the production of design policy, guidance and codes by local planning authorities and developers.'</u> <u>The Parish Council has therefore commissioned Austrey Design Guidance and Codes as part of the NDP Review (see Appendix 2 of AMNP) which is published on the Parish Council website.</u>	
27.	SECTION 2: HOUSING DESIGN OBJECTIVES	<u>HOUSING DESIGN</u> OBJECTIVES 2.1 <u>Objective 1: To Protect Austrey's Rural Character</u> It is important for the protection of Austrey's setting as a small, rural village that any new development be of an appropriate scale, height, material and style, in keeping with other properties in the village.	To update the Objectives and provide titles. Minor modifications.

¹² <https://www.gov.uk/government/publications/national-design-guide>

¹³ <https://www.gov.uk/government/publications/national-model-design-code>

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<i>(moved from Housing development section)</i> The Plan aims to provide a measure of protection for Austrey's natural and historic environment, helping to retain the attractive rural character of the village, its rich heritage of listed buildings, and its unique sense of place. <u>2.2 Objective 2: To Promote Sympathetic Design</u> Austrey has a wide range of different styles of buildings. This Plan does not provide a prescriptive design guide, but seeks to ensure that any new development is sympathetic towards listed or other important buildings. <u>2.3 Objective 3: To Maximise Energy and Resource Efficiency</u> New buildings should be as energy efficient as possible, taking energy supplies from renewable sources where this is feasible and does not impact on the landscape. <i>(moved from Housing development section)</i> This Plan supports renewable energy projects and new transport links that improve the quality of life for residents, but at the same time, seeks to ensure that such projects enhance rather than detract from the rural landscape. <u>2.4 Objective 4: To Ensure Viability</u> Good quality design is in everyone's interest, from existing and prospective residents to those concerned about global warming, but it is understood that any development should be financially viable whilst, at the same time, aiming to enhance the quality of life.	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
28.	SECTION 2: HOUSING DESIGN Supporting text for POLICY AP5	POLICIES <u>HIGH QUALITY AND SUSTAINABLE DESIGN</u> POLICY AP5: All new dwellings should comply with the “Building for Life 12” (BfL12, The Design Council) guidelines and the 16 design criteria making up the “Lifetime Home Standards” guidelines (Habitat Housing Association, 2011) These are supported by national government and NWBC. BfL 12 uses a traffic light system, and compliance requires a minimum of 10 “greens” and no “reds” for the 12 key elements of development: ☐ Meeting local housing requirements ☐ Character ☐ Car parking ☐ Facilities and services ☐ Connections ☐ Public transport ☐ Working with the site and its context ☐ Creating well-defined streets & spaces ☐ Easy to find your way around ☐ Streets for all ☐ Public and private places ☐ External storage and amenity space. The Lifetime Home Standards ensure that homes are designed to be flexible so that they can be adapted for use in later life.	To update the supporting text and refer to the design codes. Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Former NDP Policy AP5 required new dwellings to comply with Building for Life 12 (BfL12) and Lifetime Homes guidelines. Although BfL12 is promoted in the new Local Plan, these guidelines now have been superseded by Building for a Healthy Life (BHL)¹⁴ which was published in 2020. Building for a Healthy Life is a Design Code to help people improve the design of new and growing neighbourhoods and includes 12 considerations across 3 key themes of Integrated Neighbourhoods, Distinctive Places and Streets for All.</u> <u>Lifetime Homes standards were replaced by the optional building regulations standard M4(2) entitled 'accessible and adaptable dwellings' and this is being reviewed by the Government.</u> <u>NDP policies cannot set out technical standards which are addressed in other requirements such as building regulations. However they can include policies linked to locally specific design codes and guidelines.</u> <u>New, revised NDP Policy AP5 requires new development to respond positively to the Austrey Design Guidance and Codes which is provided as Appendix 2 and published on the Parish Council website. This was prepared through the Locality Technical Support programme with the involvement of the NDP Steering Group and has been informed by responses to informal consultations. It encompasses good practice and advice for ensuring new development promotes healthy lives and supports flexible living space, capable of adaptation to meet the changing needs of occupiers.</u>	

¹⁴ <https://www.udg.org.uk/publications/othermanuals/building-healthy-life>

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
29.	SECTION 2: HOUSING DESIGN POLICY AP5	<u>POLICY AP5: HIGH QUALITY DESIGN.</u> <u>Development proposals for new housing development and conversions of existing buildings to residential use will be expected to demonstrate high quality design which incorporates the relevant principles set out in Austrey Design Guidance and Codes (Appendix 2 of Austrey Modified Neighbourhood Plan) which is published on the Parish Council website. These are:</u> <u>Design Code 1: Responding to heritage</u> <u>Design Code 2: Appearance</u> <u>Design Code 3: Detailing</u> <u>Design Code 4: Boundary treatments in new development</u> <u>Design Code 5: Infill and backland development</u> <u>Design Code 6: Building Line and setback</u> <u>Design Code 7: Proportion and scale and</u> <u>Design Code 9: Extensions and alterations</u>	To update the policy with reference to high quality design and design codes document. Material modification that does not change the nature of the Plan.
30.	SECTION 2: HOUSING DESIGN Supporting text for POLICY AP6	<u>As set out in Section 5, there is an increased urgency to tackle the climate crisis by reducing consumption of energy and resources and emissions of GHG.</u> <u>In order to achieve net zero in new builds there will need to be an average 68% reduction in operational carbon (emitted during a building's 'in-use' lifetime due to the building's use of energy and water) by 2030 for non-domestic buildings and an average 59% reduction by 2030 for domestic buildings. All new buildings have to have low carbon heating systems from 2025 (gas boilers</u>	To update the supporting text with reference to low carbon buildings and net zero target. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>have been banned for new homes by the UK government from 2025). In addition there will need to be a 44% reduction in non-domestic buildings by 2030, and a 46% reduction in domestic buildings by 2030 in embodied carbon (emitted from the construction processes and materials used to construct and maintain the building throughout its lifespan)¹⁵.</u> <u>Revised Policy AP6 updates the former NDP Policy which required developers to assess the viability of on site sources of renewable energy and to ensure buildings are energy efficient. The new Policy wording provides guidance to ensure new development is designed and built to be as sustainable and resource and energy efficient as possible. Local Plan Policy LP35 Renewable Energy and Energy Efficiency advises that new development will be expected to be energy efficient in terms of its fabric and use including, where viable, the production of 10% of operational energy from on-site renewables.</u>	
31.	POLICY AP6	POLICY AP6: Developers of any new housing in Austrey should first carry out a survey to assess the viability of using on-site sources of renewable energy, such as solar panels, and ensure that the new buildings are designed to be energy efficient. This should take into account any government support such as feed-in tariffs for electricity generated on-site and fed into the grid.	To update the policy with reference to sustainable design and design codes document. Material modification that does not change the nature of the Plan.

¹⁵ UK Green Building Council (UKGBC) Net Zero Whole Life Carbon Roadmap
<https://www.ukgbc.org/ukgbc-work/net-zero-whole-life-roadmap-for-the-built-environment>

		<u>POLICY AP6: SUSTAINABLE DESIGN</u> <u>Development proposals will be expected to maximise resource and energy efficiency and demonstrate how designs will achieve net zero and contribute towards tackling the climate emergency.</u> <u>Proposals will address the following design guidance and principles set out in the Austrey Design Guidance and Codes (Appendix 2 of Austrey Modified Neighborhood Plan) which is published on the Parish Council website:</u> • <u>Design Code 14: Energy efficiency measures to net zero carbon</u> • <u>Design Code 15: Sustainable building materials and construction and</u> • <u>Design Code 16: Assessing renewable energy sources.</u>	
32.	SECTION 2: HOUSING DESIGN Supporting text for POLICY AP7	<u>Former Policy AP7 required new development to comply with Secured by Design and Safer Places standards and former Policy AP8 required development to comply with highways standards and promoted a five minute, walkable neighbourhood. Secured by Design principles and promoting safer spaces and active travel are embedded in the National Model Design Code.</u>	To advise about updates to former Policy AP7 as part of review process. Minor modification.
33.	POLICY AP7	POLICY AP7: Any new housing should be built in accordance with Home Office standards, "Secured by Design" and "Safer Places" These are design guidelines intended to reduce the risk of crime in any new development.	Policy deleted and replaced with revised policy.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
			Material modification that does not change the nature of the Plan.
34.	POLICY AP8	POLICY AP8: Any new development should comply with the accepted standards applied by the local Planning and Highways Authorities and should strive to achieve a “five minute walkable neighbourhood”, encouraging the use of sustainable, active transport (walking and cycling). This ensures that such development retains as much of the existing character of the area as possible, and that there is no adverse impact on road safety or the quality of life for those living nearby.	Policy deleted and replaced with revised policy. Material modification that does not change the nature of the Plan.
35.	SECTION 2: HOUSING DESIGN Supporting text for POLICY AP7	<u>The NPPF advises that planning policies and decisions should aim to achieve healthy, inclusive and safe places, which are safe and accessible, so that crime and disorder, and the fear of crime, do not undermine the quality of life (paragraph 92). Local Plan Policy LP30 Built Form sets out in Part h) that development should create a safe, secure, low crime environment through the layout, specification and positioning of buildings, spaces and uses in line with national Secured by Design Standards.</u> <u>Austrey Design Guidance and Codes includes design guidance to ensure new development addresses safety and security.</u>	To advise about updates to former Policy AP7 as part of review process. Minor modification.
36.	POLICY AP7	<u>POLICY AP7: PROMOTING SAFER NEIGHBOURHOODS</u>	Former Policy retained to refer to Secured by Design.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Developments are expected to include measures which promote safer neighbourhoods by incorporating the principles set out in 'Secured by Design'.</u>	Reference to Safer Places deleted as out of date. Minor modification.
37.	SECTION 2: HOUSING DESIGN Supporting text for POLICY AP8	The NPPF recognises the need for travel to shift away from reliance on the private car. <u>Opportunities to promote walking, cycling and public transport use should be identified and pursued (paragraph 109 e)) and planning policies should provide for attractive and well-designed walking and cycling networks with supporting facilities such as secure cycle parking (paragraph 111 d)). The role of active travel is recognised in relation to improving health and wellbeing and planning policies should promote social interaction through street layouts that allow for easy pedestrian and cycle connections within and between neighbourhoods, and enable and support healthy lifestyles (paragraph 96 a)).</u> <u>Local Plan Policy LP27 Walking and Cycling sets out 'the Borough Council will develop a Walking and Cycling Strategy. All developments should consider what improvements can be made to encourage safe and fully accessible walking and cycling.'</u> <u>Manual for Streets¹⁶) noted that 'walkable neighbourhoods are typically characterised by having a range of facilities within 10 minutes' (up to about 800 m) walking distance of residential areas which residents may access comfortably on foot.'</u> MfS encourages a reduction in the need to travel by car through the creation of mixed-use neighbourhoods with interconnected street	To update supporting text in relation to active and sustainable travel. Minor modification.

40.	HOUSING DEVELOPMENT	BACKGROUND 2014 Core Strategy	Section deleted as no longer up to date.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
	Supporting text	NWBC's Core Strategy, approved in 2014, calls for the development of a minimum of 40 new houses in Austrey by 2029. The following settlements will cater for the following amount of development, usually on sites of no more than 10 units, and at any one time depending on viability. A Neighbourhood Plan may allocate more: AUSTREY.....40 NWBC Core Strategy 2014 Although North Warwickshire has now met its targets in terms of housing allocation for the Plan period, it is anticipated that surrounding Boroughs may turn to North Warwickshire for support. Under the terms of the 2011 Localism Act, local Planning authorities have a legal "duty to cooperate" with neighbouring authorities if it means that cross boundary solutions can be found for any shortfall in housing supplies. 2011 Census The 2011 census data provides useful insight into the demographic trends likely to impact housing needs in Austrey over coming years. It has been a growing concern for the Parish Council that Austrey has an aging population. ☐ In 2011, 60% of village residents were of working age, and fewer than 20% were above retirement age ☐ A comparison of the 2001 and 2011 census data reveals that the number of residents in the age group 25-44 reduced from 270 (27% of the total) to only 165 (18%) over this ten year period	Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		At the same time, the number of children below the age of 10 almost halved from 135 in 2001 to only 76 in 2011 These trends have significant implications for the social sustainability of the village and the viability of its services. AUSTREY HOUSING NEEDS SURVEY In November 2013, Austrey Parish Council, working in partnership with NWBC, commissioned a detailed "Housing Needs Survey" to provide input for this Neighbourhood Plan. 300 surveys were distributed to residents of Austrey, and 31% were completed and returned. The following feedback was received: 92.5% of residents currently live in owner-occupied housing; 5.5% rent from the local authority; 2% rent from private landlords 83% said that their home is the right size for their current needs, but only 53% felt that it was the right size to meet their future needs 50% would like to move to a smaller house in the next 20 years. Of these, 75% expressed a preference for a bungalow; 67% would like to be close to village amenities; 64% would opt for a low maintenance property; 62% would like a small garden; and 54% would like attractive views 65% felt that Austrey currently has the right housing mix for local people and their families Austrey needs to attract more young families to ensure that the village services such as shop, school and pub remain viable. 85% felt that energy efficient housing was an important factor in attracting young families; 76% felt that the walking distance to the primary school would be a deciding factor; 75% felt that properties should be visually attractive	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		□ The majority of residents believe that Austrey should develop homes for local people (81%) and homes for first time buyers (74%) over the course of the next 20 years □ 65% thought that Austrey should not seek to provide affordable homes for people who do not live, work, or have a family connection in the village.	
41.	HOUSING DEVELOPMENT Supporting text	<u>The former made NDP was prepared to be in general conformity with the previous local plan - the North Warwickshire Core Strategy. This set out a minimum housing growth target of 40 dwellings over the Plan period (up to 2029).</u> <u>The NDP included 3 'preferred sites for development' which already had planning consent for housing at the time. These were A: Hollybank Farm, No Man's Heath, B: Crisps Farm / Glebe Field and C: Applegarth / The Croft, Norton Hill) totalling 57 new homes in the village. The NDP also included planning policies to guide windfall development, including a policy to guide house types and tenures which referred to the 2013 Austrey Housing Needs Survey.</u> <u>Since then, Austrey has seen significant housing growth – far in excess of the minimum target of 40 dwellings. In total 143 new houses have been built since 2017.</u> <u>The 2021 census provides the following data about households and house types in Austrey:</u>	Supporting text updated to refer to latest Census 2021 statistics and most up to date parish housing needs survey (2021). Minor modifications.

		<u>HOUSING NEEDS SURVEY REPORT, JANUARY 2021</u> <u>An updated parish housing needs survey was undertaken from November to December 2020 by WRCC on behalf of the Parish Council with the Report published in January 2021. This noted that recent increases in house prices which have far outstripped average increases in earnings mean that local people may be priced out of the housing market in the area in which they grew up. The need for affordable housing is a critical issue in rural areas but while communities often recognise the need for additional housing, development needs to be balanced with impacts on local character and pressures on local services. The Parish Council is aware that these issues are very relevant to Austrey, with recent developments tending to provide a majority of large, detached 'executive' type housing for private sale, at prices often beyond the reach of parish residents and their families.</u> <u>Key findings included:</u> <u>The most common reason given for respondents needing alternative accommodation was the need for a starter / first home, followed by looking to downsize and then affordability of current home.</u> <u>Preferred dwelling types were houses followed by bungalows.</u> <u>The preferred number of bedrooms was 2 or 3.</u> <u>2 respondents indicated they were interested in self build.</u> <u>The Conclusion identified a need for 14 alternative homes for households with a local connection to Austrey Parish with the following tenure split:</u>	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>'Housing association rent or local authority rent</u> <u>2 x 1 bed bungalow</u> <u>1 x 4 bed house</u> <u>Housing association rent</u> <u>1 x 1 bed maisonette/flat</u> <u>3 x 2 bed house</u> <u>Shared ownership</u> <u>3 x 2 bed house</u> <u>Owner occupier</u> <u>3 x 2 bed bungalow</u> <u>1 x 4 bed house</u> <u>Consideration should also be given to those households on the local authority housing waiting list (suitably discounted by three households as per these survey results).'</u> <u>This clearly shows a local need for more affordable rented and owner-occupied housing, and particularly for more smaller units of 1-2 bedrooms.</u>	
42.	HOUSING DEVELOPMENT	<u>HOUSING</u> OBJECTIVES 3.4 <u>Objective 1: To support housing in line with the Local Plan</u>	Minor revisions made as part of Plan updates.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
	Objectives	It is a priority for this Plan that Austrey meets its legal requirements in terms of housing provision. 3.2 <u>Objective 2: To meet local needs</u> It is important too that this Plan provides for an adequate supply of the right type of housing to meet the specific needs of present and future generations of villagers. Recent surveys suggest that there is a preference in the local community for a supply of low maintenance bungalows for those seeking to down-size, and for attractive, energy efficient <u>smaller</u> homes <u>for affordable rent and owner occupation for local residents and</u> likely to attract young families to the Parish. 3.3 <u>Objective 3: To ensure growth can be accommodated by infrastructure and facilities</u> Where possible, the Plan aims to ensure that the village is able to grow in an organic and controlled way, in line with local facilities and infrastructure. 3.4 <u>Objective 4: To support suitable local employment and encourage home working which will support the local shop and Post Office</u> The development of businesses in the village is supported, whereby local employment can be created without adverse impact on the surrounding area. 3.5 <u>Objective 5: To support housing viability</u> It is understood that any new development should include a mix of housing types to ensure it is financially viable.	Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>3.6 Objective 6: To ensure new housing is accessible to local facilities</u> The Plan sets out to ensure that any new housing development is located within easy walking distance of the village facilities such as the shop, school, churches and pub. This will help to ensure their viability in the long term. By enabling people to walk or cycle rather than drive to local amenities, this Plan also supports the shift to low-carbon living and a healthier life-style . <u>3.7 Objective 7: To promote better health and wellbeing</u> By ensuring that further development is located close to local amenities, this will provide a better quality of life for new residents by shifting the centre of the village away from the M42 motorway and proposed HS2 rail link, and from the associated noise nuisance.	
43.	HOUSING DEVELOPMENT Supporting text	<i>(moved to section 6 housing design)</i> 3.8 —The Plan aims to provide a measure of protection for Austrey's natural and historic environment, helping to retain the attractive rural character of the village, its rich heritage of listed buildings, and its unique sense of place. 3.9 This Plan supports renewable energy projects and new transport links that improve the quality of life for residents, but at the same time, seeks to ensure that such projects enhance rather than detract from the rural landscape.	Moved to section 6 housing design Minor modification
44.	HOUSING DEVELOPMENT Supporting text.	CRITERIA FOR SELECTION OF SITES Each of the sites available for development at the time of writing has been considered in detail by the Parish Council, together with a Steering Group of representatives from all ends of the village.	Deleted as no longer relevant to Review NDP.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		Each site was reviewed on its own merits, taking into consideration any particular advantages or disadvantages that each proposed development might bring. Only those sites scoring higher than 50% have been included in this Plan. Each site was then rated against a set of criteria provided by an independent planning consultant. A link is provided on page 30 to the detailed score card, but the key criteria used can be summarised as follows: Proximity to shop and village centre ☐ Proximity to other amenities (church, chapel, village hall, school, pub) ☐ Requirement for the type of housing planned ☐ Additional benefits or risks to the community (e.g. parking for the village hall; increased risk of flooding) ☐ Visual impact, particularly with regard to listed buildings and/or the rural landscape and views ☐ Any other considerations (e.g. improvement of existing brownfield site) The results were found to be fully aligned with the findings of the survey carried out by Austrey Residents' Association in December 2014.	Material modification that does not change the nature of the Plan.
45.	POLICY AP9	POLICIES AP9: For the period to 2029, we expect the following 3 sites identified to deliver the housing needs for Austrey: Hollybank Farm (A); Crisps Farm / Glebe Field (B); Applegarth / The Croft (C), along with any windfall sites as outlined in AP10.	Deleted as sites now all developed. Material change that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		This will not only meet the minimum requirements of NWBC's Core Strategy, but also takes into account the anticipated request for further housing to support the shortfall in neighbouring Tamworth. According to detailed sustainability and other assessments carried out by NWBC, these sites are deliverable and suitable for development.	
46.	HOUSING DEVELOPMENT Supporting text	NEW HOUSING DEVELOPMENT <u>The NPPF sets out that in rural areas, planning policies should be responsive to local circumstances and support housing developments that reflect local needs (paragraph 78).</u> <u>Local Plan Policy LP2 Settlement Hierarchy identifies Austrey as a Category 4 Settlement: Other settlements with a development boundary. In these settlements development within development boundaries will be supported in principle. Development directly adjacent to settlement boundaries may also be acceptable. All development will be considered on its merits; having regard to other policies in the plan and will cater for windfall housing developments usually on sites of no more than 10 units at any one time, depending on viability, services and infrastructure deliverability. The Austrey development boundary is shown on Map 6.</u> <u>Austrey NDP Policy AP9 sets out local criteria for assessing windfall development proposals for new housing. These are largely carried forward</u>	Supporting text updated to refer to updated NPPF and Local Plan policies. Minor modifications.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>from the former made NDP and include the former criteria for the selection of sites and former windfall Policy AP10.</u>	
47.	POLICY AP9	<u>POLICY AP9: WINDFALL DEVELOPMENT</u> POLICY AP10: It is accepted that there will be additional Proposals for “windfall” housing development over the period of this Plan, but this will only be permitted be supported where they: <u>it relates to are for small scale development of usually no more than 10 houses within the Plan period;</u> it would helps businesses-to create local employment <u>opportunities</u> without unacceptable adverse impact on the rural landscape, <u>for example providing mixed use live / work accommodation and provision of office space to enable working from home;</u> it is are within easy walking distance of the village centre and key amenities <u>(including the church, chapel, village hall, school, and pub) (see Policy AP8 Active Travel and Healthy Lifestyles)</u> it relates to include renewable energy projects of and new <u>active</u> transport links <u>that do not have no an</u> unacceptable adverse impact on the landscape or <u>residentsial amenity</u> it meets the requirements of national and local building standards, and of this Plan <u>Provide additional benefits for the community through developer contributions (see Appendix 1)</u> <u>Do not result in increased risk of flooding;</u>	Policy AP9 has been updated to include further local criteria following responses from residents to informal consultation. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>Are acceptable in terms of visual impact, particularly with regard to listed buildings and/or the rural landscape and views (see Policies AP1 Natural Environment and AP3 Views)</u> <u>Make efficient use of land and / or include the development of brownfield (previously developed) sites or sensitive conversion and re-use of existing buildings.</u> <u>Insert new map showing development boundary</u>	
48.	HOUSING DEVELOPMENT Supporting text	MEETING LOCAL HOUSING NEEDS <u>The 2021 Housing Needs Survey Report showed that there was evidence of local need for more affordable and smaller housing in Austrey. These findings were confirmed in the responses to the informal consultation in May 2023 and respondents noted that there was continued need for affordable housing, houses suitable for first time buyers and families, and more accommodation for older people. Some respondents were not in favour of further large-scale housing developments.</u> <u>NDP Policy AP10 updates the previous NDP Policy AP11 and refers to the latest housing needs survey for the Parish.</u>	Supporting text updated to refer to most up to date parish housing needs survey. Material modification that does not change the nature of the Plan.
49.	POLICY AP10	POLICY AP44 <u>10: LOCAL HOUSING NEED</u> This plan welcomes housing development of a type, tenure and mix that reflect the findings of the 2013 Austrey Housing Needs Survey.	Policy updated to refer to most up to date parish housing needs survey.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		<u>New residential development should demonstrate how it contributes to a suitable mix of tenure, type and size of dwelling in Austrey based on the latest available evidence of housing need as set out in the 2021 Austrey Parish Housing Needs Survey Report or other more up to date evidence.</u> <u>Proposals should demonstrate how they respond to local needs for: affordable small to medium sized starter homes (2 to 3 bedrooms), housing designed for older people such as bungalows (2 to 3 bedrooms) and assisted living accommodation and affordable larger family accommodation (4 bedrooms) if evidenced by the latest available housing needs and viability considerations.</u> <u>Self-build schemes will also be supported.</u>	Material modification that does not change the nature of the Plan.
50	PREFERRED SITES FOR DEVELOPMENT	PREFERRED SITES FOR DEVELOPMENT This Plan supports the approved planning applications submitted for the following three sites: A. Application PAP/2014/0296 Hollybank Farm, No Mans Heath Lane Demolition and replacement of farm buildings, and construction of 3 x 4 bedroomed houses B. Application PAP/2014/0569 Crisps Farm / Glebe Field	Deleted as no longer relevant. Material modification that does not change the nature of the Plan.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		Construction of up to 40 dwellings of various types and sizes, and incorporating a proportion of affordable housing, a village green with children's play area, and parking for St. Nicholas Church and the village hall C. Application PAP/2014/0157 Applegarth / The Croft, Norton Hill Construction of 14 homes of various types and sizes, incorporating a proportion of affordable housing and an area of community green space At the time of writing, planning permission has been granted by NWBC for all three sites. More detailed descriptions of each of these sites follows: POLICY AP12: Should planning permission expire before building work has commenced on any of the Sites supported by this Plan, the Parish Council will review available alternatives at that time, re-visiting the criteria for selection and updating the Plan as necessary in order to ensure that Austrey provides the housing numbers required. A. HOLLYBANK FARM Hollybank Farm is a working farmstead situated on the outskirts of Austrey village. The land has been used for agricultural purposes since 1985 and is currently used for breeding ewes and cattle for slaughter. The owner of the site lives in nearby Polesworth. The site is designated as a preferred area for growth in NWBC's Core Strategy and although it lies outside the settlement boundary, it is immediately adjacent to it. The plans submitted and approved by NWBC for this site provide for the demolition of a number of farm buildings, for their replacement with one general purpose building and three new dwellings. The site covers an area of 0.46 hectares and will provide ample space for residents.	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		The site will use the existing access route and there should be no danger to pedestrians or cyclists. All existing hedgerow boundaries are to be retained, but some sections will be re-located to improve visibility at the junction with No Man's Heath Lane. The Highways Authority has approved the plans submitted, subject to a widening and resurfacing of the access to ensure that it is safe. There are existing residential properties to both sides and opposite the proposed site. Core Strategy Policy NW10 requires that there be no loss of amenity for neighbouring properties, and this has been an important consideration in the design. NWBC has stressed the importance of ensuring that the new buildings are of high quality design, and that they respect the distinctive character of the village. The new houses will be similar in scale, appearance and materials to neighbouring properties. The plans provide for the construction of three detached houses, each with a detached garage. All three properties will have frontages on No Man's Heath Lane, and a rear access route. REASONS FOR INCLUSION IN THIS PLAN ✓ Plans already approved by NWBC ✓ Provides housing likely to attract young families ✓ Supports local farming activity and retention of "the green ring" ✓ Adjacent to settlement boundary ✓ Will improve appearance of existing site ✓ Minimal impact on existing hedgerows ✓ Access approved by Highways Authority ✓ Minimal impact on surrounding properties ✓ No listed buildings in the vicinity B. CRISPS FARM / GLEBE FIELD	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		An outline application has been submitted jointly by Crisps Farm Ltd, the owners of farm land and buildings to the south and west of Austrey, and the Church of England – Birmingham Diocese, owners of the adjacent plot known as Glebe Field. An outline application has now been approved for this site. The plans relate to the construction of up to 40 houses on a site of some 3.26 hectares in total, and include provision for public open space in the form of a village green with children's play area, replacing the old agricultural buildings directly opposite the Grade II* Listed Church. The site will also provide off-street parking for both the Church and village hall. There will be a pedestrian / cycle link connecting the village green to the new houses, to the Church and to the amenities in the centre of the village. It is anticipated that these new features will not only be of value to new residents, but that they will also enhance the setting of the Church and the quality of life for existing Austrey residents. The buildings on the Crisps Farm site are still used to support farming activities such as the provision of livery services, the rearing of cattle and occasional grazing for sheep. It is proposed that these buildings be demolished to make way for the new village green, and that farming activities be continued from new, more efficient buildings in another area of Crisps Farm. This will form part of a separate planning application. The plans for this site respect its setting adjacent to the Grade II* Listed St. Nicholas Church, and respond sensitively to adjacent houses with a landscaped buffer running along the boundary, and planting along the western boundary to provide a green edge to the settlement.	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		Where possible, existing hedges and planting will be retained, ensuring a high level of biodiversity and giving the site limited visibility from surrounding public routes. This site will provide a mixture of detached, semi-detached and terraced houses, suitable both for families and for first time buyers or those wishing to down-size. The number and type of affordable houses is to be agreed with NWBC. The plans include the provision of a sustainable drainage system (SuDS). This will not only help with surface water drainage on site, but will provide an attractive landscape feature adding further biodiversity. As one of the previous landowners has now withdrawn from the process, a reconsideration of the boundary was necessary in order to provide the housing necessary to fund the considerable community benefits. REASONS FOR INCLUSION IN THIS PLAN ✓ Site already approved by NWBC ✓ Provides for young families and down-sizing ✓ Farming activity will be retained and facilities improved ✓ Close to village centre and amenities ✓ Provision of village green, a children's play area and public parking ✓ Biodiversity of the site will be enhanced ✓ Access approved by Highways Authority ✓ Close consultation with villagers ✓ Site layout respects nearby listed buildings C. APPLGARTH / THE CROFT	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		An outline application has been submitted and approved for the development of 14 dwellings at Applegarth and The Croft, and an associated access road off Norton Hill, to the south-east of the village. The respective owners originally submitted two separate plans, each for a smaller number of houses in line with Core Strategy guidelines, but NWBC insisted that they be combined since they share a common boundary. The site, previously an orchard, is now an area of garden, surplus to requirements. There are a number of dilapidated farm buildings on the site, and it is proposed that these be demolished to make way for the new development, making efficient use of unused land and improving the overall appearance of the area. The site is located adjacent to other existing buildings on the outskirts of Austrey, within easy walking distance of the village centre. The plans provide for a mixture of small medium sized houses, each with a private garden and parking for at least 2 cars. This variety of housing types and the proposed density reflect that of the surrounding area. The building design and materials used will harmonise with other housing in the area. All new houses on this site will use energy efficient means of construction and will be designed to be energy efficient, using renewable energy generated on-site where this is viable. It is proposed that the site will include 6 detached family homes, 6 smaller detached houses, and 2 semi-detached affordable properties, as required by Policy NW6 of NWBC's Core Strategy. The irregular shape of this site has been a key determining factor in the overall layout, with the access road from Norton Hill widening to form a crescent to the rear of existing properties, Bembridge House and The Cottage. The plans have	

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		been adjusted and more bungalows have been included to avoid any overshadowing or overlooking of these two adjacent properties. Appropriate distances between the houses will be maintained, and none of the new properties will be visible from Norton Hill. Existing boundary fences will be retained/renewed with new landscaping where possible. Initial concern over the visibility splays at the access to Norton Hill have now been resolved, and the Highways Authority confirmed that it had no further objections, subject to a slight modification to the access road. REASONS FOR INCLUSION IN THIS PLAN ✓ Site approved by NWBC & Highways Authority ✓ Provides for young families and down-sizing ✓ Efficient use of land currently not utilised ✓ Close to village centre and amenities ✓ No listed buildings adjacent to the site ✓ Focus on energy efficiency and sustainability ✓ Adjacent to current settlement boundary ✓ Little visual impact on the village The three sites selected for new housing contribute to sustainable development in the following ways: S O C I A L E N V I R O N M E N T A L i) Visual improvements in the historic setting of the Grade II* Listed St. Nicholas Church ii) Support for local farming activities and protection of the “green ring”

52.	APPENDIX 2	APPENDIX 2: NPPF REFERENCES The Policies in this Neighbourhood Plan (AP1-AP13) are fully aligned with the following sections of the Government's National Planning Policy Framework (NPPF)	Deleted as no longer relevant. Material modification that does not change the nature of the Plan.
53.	APPENDIX 3	APPENDIX 3: CORE STRATEGY REFERENCES	Deleted as no longer relevant.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		The Policies in this Neighbourhood Plan (AP1-AP13) are fully aligned with the following sections of NWBC's Core Strategy, 2014, and Saved Policies from the Local Plan, 2006	Material modification that does not change the nature of the Plan.
54.	APPENDIX 4	APPENDIX 4: COMMUNITY CONSULTATION	Deleted as no longer relevant. Material modification that does not change the nature of the Plan.
55.	APPENDIX 5	APPENDIX 5: <u>APPENDIX 1</u> INFRASTRUCTURE PROJECT LIST □ Continuing investment in street lighting in other parts of Austrey □ Speed awareness signs on roads where speeding can be an issue □ Investment in flood prevention along Warton Lane □ Re-surfacing of the unadopted road, Yew Tree Court □ Security cameras to help crime prevention □ Central storage unit for village equipment used by the various clubs and societies Attractive village signs upon entry to Austrey □ Installation of salt/grit bins around the village □ A marquee or similar for outdoor events □ A ride-on mower for maintenance of playing fields □ All-weather sports facility with flood lights □ Re-surfacing of the playing fields' car park	Updated. Minor modification.

Reference Number	Made NDP Section / Policy / Para Number	Proposed change shown as deleted wording strikethrough , and new wording in <u>blue text and underlined</u>	Brief description of reason for change and QB view on nature of change/modification i.e. • Minor (non-material) • Material that do not change the nature of the plan • Material that would change the nature of the plan
		☐ Mitigation of impact of HS2 ☐ Floodlights for St Nicholas Church ☐ Funding for maintenance of village hall ☐ Additional notice boards for village news ☐ Improved maintenance of the public foot paths in and around Austrey This list will be reviewed and updated on a regular basis and new projects are identified. <u>As the village continues to grow throughout the Plan period, the residents of Austrey would like to see investment in the village to support this growth.</u> <u>In the event that a National Infrastructure Levy is introduced, the Parish Council would like to see CIL being spent on the following:</u> <u>1. Continuing investment in street lighting in other parts of Austrey</u> <u>2. Speed awareness measures</u> <u>3. All weather sports facility with flood lighting</u> <u>4. Improve maintenance of foot paths in and around Austrey</u> <u>5. Improve drainage on Austrey playing field</u> <u>6. Replace bus shelter</u> <u>7. Develop new children's play area</u> <u>8. Austrey community orchard (completed in 2024).</u> <u>This list will be reviewed and updated on a regular basis as new projects identified.</u> <u>These projects should also be prioritised where opportunities arise from Section 106 Developer contributions.</u>
